Currently in my graduate year at AFTRS completing the Bachelor of Arts: Screen Production, I made the move to Sydney from rural NSW at the start of 2021. Since then I have furthered my career in the camera department by freelance shooting and camera assisting commercials, music videos and short films, as well as working dailies on series and features. I have a passion for visual storytelling and creating beautiful images, as well as crafting a fun and respectful work environment on set.
